

**Transition Task Force**  
**Public Safety Subcommittee**  
**Minutes**  
**May 18, 2012**

1. Update on dispatch RFI. RFI is out and awaiting replies. Send to Mercer County also.
2. WPCS report. Report was reviewed in detail with vendor representatives present.
  - a. Three options presented, mandatory/critical/strongly recommended.
  - b. General review of a number of areas of the report. Questions on PU radio project being put in place this summer. Can we leverage that somehow?
  - c. Meeting to look at this between two PD's, PU and WPCS to be coordinated by Morgan.
3. Roger's Group report. Frank Rogers presented thought and update.
  - a. Good progress to date
  - b. Immediate attention items: evidence databases and CAD/RMS platform
  - c. Merge evidence databases, both PD's use same software
  - d. Need for Rules & Regulations to be in effect 12:01 1/1/2013. Need to talk to Kearns and DCA about this.
  - e. Appropriate authority. In Boro it is administrator and Public Safety Committee. In Township it is administrator and Township Committee. Need to decide on what it will be for 2013.
  - f. Good progress weapons integration and single uniform thoughts.
4. NEXT MEETING: look at draft R&R's and CAD/RMS status.

Public Comments: None
