

Community Engagement Subcommittee Meeting on 2/9/11

Present: Carol, Valerie, Anton, Ryan, Alice

1. Subcommittee Presentation by Carol for full Commission meeting on February 16, 2010 - will have a few large categories or themes, and will fit in each category the more specific issues we have experienced in our meetings with the community
2. Princeton Future meeting on March 26th - we will need the full commission to attend because of the format of the meeting. Joe Stefko will attend

Anton and Joe will set up the meeting and then each Chair will provide a brief overview of the work of the subcommittee and therefore the table group. Then the group will split into 4 tables, probably 12-14 per group, chaired by the subcommittee chairs, with sample questions to generate discussion for the participants:

Governance - Bernie Miller
Police - Bill Metro
DPW - Valerie Haynes
Finance - Chad Goerner

Each table will need at least one additional commission member to help and take notes.

Anton and Carol will "float" among the tables

Each chair will report back to the whole group the large themes of the discussion

Carol will report on our outreach strategy and ask for suggestions as to any additional ideas the Princeton Future group may have

3. Neighborhood Meetings -- Names of community members who might hold neighborhood gatherings were discussed and committee members were assigned to follow up.
