Agenda

1. Follow-up discussions on PD staffing levels.
 - Start at current staffing level of 56 in 2013 instead of 60 recommended in Consolidation Report?
 - Start 2013 at whatever staffing level we fall to in 2012? Maybe, assuming no large drop in current staff.

 - Number of sergeants right now, too many for 2013. What our options?
2. Follow-up discussion on dispatching options.
 - Status on RFP for dispatching?
 - Meeting with Ewing update.
3. Follow-up with PU.
